

### ONLINE APPLICATIONS

Need to apply for certification or add an endorsement to your existing certification? Please visit [www.asttbcapply.ca](http://www.asttbcapply.ca). Since Spring 2016 we began processing applications online. We will no longer accept paper-based applications as of January 2017 - please recycle or return to us any paper based applications you may have on hand.

### FIRE PROTECTION WEBSITE

Check out the new and improved Registered Fire Protection Technician Website:

<http://fireprotection.asttbc.org/>

There's a MEMBERS ONLY section (Create a new account or use your existing ASTTBC log in credentials). Here you can view codes/standards, download forms and advertise your business (under "Service Providers"). Please check the website regularly for updates!

ASTTBC is proud to announce a new government funded program to train British Columbia's unemployed or underemployed in the field of Fire Protection Technicians!

Click [HERE](#) to find out more!

### Water-Based Fire Protection Systems Endorsement

In early 2016 the Fire Protection Certification Board passed a motion to accept the Red Seal Sprinkler Fitter ticket as the educational prerequisite for the Water-Based Fire Protection Systems Endorsement.

### TAGS
