

ASTTBC TECHNOLOGY PROFESSIONALS

Thank you to the team at *Fire-Pro Fire Protection* for the important work you do and for participating in our ASTTBC Mug Shots (from left to right) Chris Dudka, Andrew Rille, Orson Chan, Mark Polley, Adam Bruns, Garrett Thon, Mark Polley, Dean Branter, Jose Azurdia (ASTT Graduate), Harry Soo, Dave Wells, Daniel MacKay, Adam Biddlecombe, Charlene Mack, Jay Evers and Nathan Forseth

British Columbia's vital technology sector is strong and growing. To celebrate the success of the sector and those who work in it, the BC government has proclaimed March 12 to 16, 2018 as Technology Skills Appreciation Week(TSAW).

ASTTBC recognizes the critical work of the 10,500 members who serve the public throughout BC. Technologists, Technicians and Technical Specialists are the "behind the scenes" professionals who support the safe operation of civil infrastructure, the medical system, environmental protection and information technology – just to name a few! These Technology Professionals are held to a rigorous Code of Ethics and high Practice Standards, as their role in society impacts our everyday life.
